Created December 2012, Updated December 2021

Nominee:

Name (Individual or group): _____

Contact information: _____

Nominator:

Name: _____

Contact Information: _____

Date Submitted: _____

Narrative

Provide a concise (1 page) summary of the candidate's contributions to Wisconsin archaeology/anthropology, concluding with a statement as to why he/she deserves recognition as a Lapham Research Medalist. *(All or portions of this statement may be used at the award presentation and included in the Society Newsletter or other membership outlets)*

Supporting Documentation

A resume or vita may be attached, but please highlight those activities that specifically qualify this individual/group for the Society's Lapham Research Medal Award

- List pertinent field projects: [Project/Site, Year(s)]
- List pertinent laboratory projects: [Project/Site; Year(s)]:
- Cite contributing publications; especially those in *The Wisconsin Archeologist*:
[Author, Yr, title, publisher]
- Cite contributing unpublished reports: [Author, Yr, title, publisher]
- Cite pertinent Internet reporting (blogs, web sites, etc.): [Author, title, web Address]
- List other activities that make valuable contributions to Wisconsin Archeology, and potential publications (e.g., reporting sites, documenting collections, presentations, etc.)
- To the best of your knowledge, is the nominee a current member of the Society? **Y/N**
- And was the nominee a Society member during the period for which the research being considered was conducted? **Y/N**

While active membership in the Society is not required for award consideration, the Awards Committee will factor the membership history of the nominee in its review.

Please submit a pdf copy of the nomination packet to current Award Committee Chair:
Cindi Stiles (cydstil@newnorth.net)
